HOW TO PLAY

Instructions in English

Materials Needed

10 game boards (one per player) · 54 calling cards · Beans, coins, or markers to cover called items · A caller (el gritón).

Setup

Each player chooses a game board. The caller shuffles the calling cards and reads them one by one.

How to Play

1. The caller reads the verse for a card in English, then in Spanish.
2. Players look for the matching image on their board and cover it.
3. The first player to complete a line (horizontal, vertical, or diagonal), four corners, or the entire board shouts “¡Lotería!” and wins.

Winning Patterns

Full board: all 16 images covered. · One line: any row, column, or diagonal. · Four corners: the four corner images covered.

Classroom Variation

Divide students into teams. Each team shares a board. The caller reads verses, and teams mark their boards together. First team to shout “¡Lotería!” wins a small prize (stickers, points, etc.).

Family Variation

Play in rounds with different winning patterns each time. Use small treats (candy canes, chocolates) as markers. The winner gets to be the caller in the next round!

Printing Tip

Print the calling cards on cardstock and cut along the borders. The boards print one per page, ready to play.
