How to Play

Instrucciones completas en español en la página siguiente

Welcome to your family's own game night!

This pack is personalized by YOU: before playing, write your family's names, answers and ideas in the spaces provided. There are no wrong answers — the fun is in what your family writes.

What you need

- Printed pages of this pack (print the board and cards on cardstock if you can).
- Pencils or markers for writing in your answers.
- One small token per player (a coin, a button, a bean) and one die for the board game.
- Scissors for the cut-out cards (grown-ups help with this part).

The 6 games

1. **The Great Family Race**
   Move your token along the board. Land on a star, draw a Chance Card!
2. **Family Favorites**
   We ask, your family answers: write the top answers together and guess them back.
3. **Charades**
   Act it out — no words! Your team guesses before the sand runs out (count to 30).
4. **Would You Rather?**
   Pick a side, defend it, and earn a point for the funniest reason.
5. **Family Trivia: All About Us**
   Write questions about YOUR family, then stump everyone else.
6. **Draw It!**
   Draw the prompt in your frame; everyone guesses what it is.

Points & winning

Use the Score Sheet (page 5) to keep points across all the games. At the end of the night, the player with the most points climbs to the top of the Winners' Podium (last page) — but every player who made the family laugh is a champion.
